As we head into the holiday season, we wish to send a special note of appreciation to our Crest Board, Crest Associates, and University friends for all the generous support that you give our students and Pepperdine University all year long. We appreciate your financial support, as well as the many ways that you help our students and alumni by offering them employment opportunities, internships, and invaluable career and mentorship guidance. Thank you for cheering our students along at our Waves athletic venues, applauding their onstage theatre and musical performances, enjoying their artwork in the museum, and encouraging them personally as they give of their time and resources to serve others through volunteer efforts.
